Level 2 Certificate in
HEALTHCARE SUPPORT
SERVICES (The Care Certificate)

The Qualification

The Level 2 Certificate in Healthcare Support Services provides you with the skills and knowledge needed to enter the industry and have a licence to practice within the workplace.

You will develop of knowledge and skills relating to the health workforce and gain competence in a range of healthcare support service skills.

Successfully completing this course will also gain you certification of The Care Certificate which is a key component of the overall induction which an employer must provide, legally and meet the essential standards set out by the Care Quality Commission.

Structure & Assessment

You will complete the mandatory 15 standards within The Care Certificate and optional units to meet the Healthcare Support Services Certificate over a duration of 12-16 weeks.

You will be assessed using a variety of methods including:

- Professional Discussion
- Observation in the Workplace
- Witness testimonial
- Written Assignments
- Research Projects
- Questioning

The course will be delivered on an individual basis by one of our Learning Development Tutors visiting you in your workplace, remotely via telephone or by online meetings.

Entry Requirements

Learners will need to have been working, volunteering or on practical placement to be able to show competence in both knowledge and skills.

You will need to complete an initial assessment in Maths and English to check your current skills levels are at the right level for the course.

The mandatory units cover areas such as Introduction to communication in health, social care or children's and young people's settings, the role of the health and social care worker, contribute to health and safety in health and social care and the principles of infection prevention and control.

Funding is available, subject to eligibility criteria, via the Adult Education Budget.

Please contact the team on 01709 871872 for further information or alternatively email:
